

Blackpool District Beaver Scouts

George Schofield Trophy Competition October 2003

We are starting to organise this competition for later this year.

The theme is to be Entertainment.

Each colony to entertain for 5 minutes. Singing, acting, dancing etc.

Before we go to the expense of booking a hall etc we really need to know how many colonies are interested in attending.

If your colony is interested please complete and return the attached form to Irene Wheatley or myself, by April council

We will then be able to let you know the exact arrangements and details of the competition. Beaver Scouts will be eligible for the creativity badge.
